If you plan to sell your home this year, we would like an opportunity to discuss the home market in your neighborhood and to tell you how we can market your home to attract the attention of eager, well-qualified buyers, negotiate terms beneficial to you, and complete the sale.

We are experienced Realtors dedicated to the success of our clients in the sale or purchase of a home. We'll use that experience to advise you, to guide you throughout the process, and to resolve any problems that might arise. We respond to questions and concerns promptly and are always accessible. Our **Property Value Reports** include local market values and trends, how short sales affect your neighborhood, inexpensive home fix-ups that add \$\$\$ to your home's value, and staging "secrets" that result in higher purchase offers.

Listingbook Makes Online Home Search Easier!

See current listings and recent home sales – our program gets MLS updates every 15-30 minutes and includes every picture and detail about each home available to Realtors. Get school information too, plus community details. Compare home prices to recent sales in the neighborhood. Homes you like can be put in a password-protected file so you can track price reductions and other changes. Create your Home Finder search and be notified as soon as homes that meet your criteria are listed. When you have questions or want to see a home, just attach a quick note to the listing and we'll get back to you ASAP.
